

A. List of states, with which Switzerland has undertaken to grant market access on a reciprocal basis in the field of public procurement under Switzerland's international treaties¹, according to the typology of the contracting entity (Art. 6, par. 3 PPA in relation to art. 6, par. 1 PPA/AIMP 2019)

Updated on 15 April 2025

Information on the level of international thresholds in CHF as well as on goods, services and construction works covered by international treaties can be found in Annexes 1 to 4 of the Public Procurement Act (PPA) of 21 June 2019 ([SR. 172.056.1](#)). For the entities at sub-central level, the level of the thresholds can be consulted on the website dedicated to the Intercantonal Agreement on Public Procurement ([AIMP](#)) of Swiss Conference of the cantonal directors for public works, land management and environmental protection. Specific provisions concerning the relevant international agreements are reserved.
