

**A. List of states, with which Switzerland has undertaken to grant market access on a reciprocal basis in the field of public procurement under Switzerland's international treaties<sup>1</sup>, according to the typology of the contracting entity (Art. 6, par. 3 PPA in relation to art. 6, par. 1 PPA/AIMP 2019)**

**Updated on 30 October 2023**

Information on the level of international thresholds in CHF as well as on goods, services and construction works covered by international treaties can be found in Annexes 1 to 4 of the Public Procurement Act (PPA) of 21 June 2019 ([SR. 172.056.1](#)). For the entities at sub-central level, the level of the thresholds can be consulted on the website dedicated to the Intercantonal Agreement on Public Procurement ([AIMP](#)) of Swiss Conference of the cantonal directors for public works, land management and environmental protection. Specific provisions concerning the relevant international agreements are reserved.
